PRODUCER FROM POLAND

[www.fortuna.com.pl](http://www.fortuna.com.pl)

The factory in Tymienice, with the Fortuna, Pysio, Garden and Sonda brands, joined the Polmlek Group in 2015. It specializes in the production of juices, nectars and still drinks and from 2020 also produces **alternative drinks with V-label certification.**

The high efficiency of the production lines allows to produce 10 pieces of finished product per second.

The plant also has a modern Distribution Center and a warehouse for 20 thousand pallet places. The distribution efficiency is 80 cars (27 pallets each) per day and about 2 million JNSD per day.

**LOCATION OF GROUP UNITS**

- production plants
- warehouses
- hotels
